

# UN-CQ50DM-20IP-2-4G

Portable 4G HD PTZ camera is a comprehensive function, easy to carry wireless video emergency command integration products, ultra high equipment integration, built-in high-performance lithium battery pack, equipped with hd sound quality acoustooptic alarm, waterproof and shockproof features, can meet the special requirements of temporary distribution control and rapid installation. Perform a task or job can quickly when installing equipment temporarily in the position of the need to monitor or adsorption on the vehicle directly, easy to equipment will be removed at the end of the task, have been supervised applicable to the field of law enforcement, investigation, security protection, emergency command, emergency repair, patrol management, and other industry applications, such as public security, traffic police, fire protection, highways, urban management, traffic, railway, courts, prisons, forestry, electric power, water conservancy, environmental protection etc

## Product characteristics:

- 1080 HD video, h. 264/ h. 265 video encoding, double codestream
- Support trip wire, delimit area to enter warning area, move detection function
- Support sound and light alarm, voice, alarm sound can be set
- Support 4G all-network communication with built-in WIFI
- Support TF card local storage, maximum support 256G
- 360 degree omnidirectional head
- Support GB 28181 platform
- Integrated design, the bottom of the configuration of high suction magnet, fast installation
- Large capacity lithium battery power supply, working hours >8 hours
- LCD display for showing the battery capacity.
- Built in Bluetooth module. Support bluetooth intercom.

## Specifications

Project		Describe
Video	Video compressed format	H.264 /H.265
	Double stream	Support
	The resolution of the	1080P/720P/D1
	Preview function	Live video, video preview
Audio	Intercom partner	Optional
Storage	The local store	1 TF card, Max. 256G
The wireless network	4G/3G	Built-in 4G all-network communication module, compatible downward
	WIFI	Built-in WIFI module supports 802.11b/g/n
Extension interface	RJ45 network interface, RS485, charging interface	
The camera	Sensor type	1/2.8" Progressive Scan CMOS
	Network protocol	IPv4, TCP/IP, UDP, HTTP, RTP/RTCP/RTSP, FTP, UPnP, DDNS, NTP, IGMP, ICMP
	Signal system	PAL/NTSC
	Minimum illumination	Color: 0.05Lux @ (F1.6, AGC ON) Black and white: 0.01Lux @(F1.6, AGC ON)
	Day night mode	ICR infrared filter type
	The resolution of the	1920*1080 1280*720 D1
	The white balance	Automatic 1/ automatic 2/ indoor/outdoor/manual/sodium lamp/fluorescent lamp
	3D noise reduction	Support
	Optical variable times	25X
	Infrared	60 meters
PTZ Camera	PTZ Agreement	PELCO-D/P
	Horizontal rotation Angle	360°

	Vertical rotation Angle	-15° ~ 90°
	Preset point	256
The power supply	The battery	10000mah
	The charging time	4 hours
	Work hours	8 hours
Sound and light alarm	Color of warning light	Red, yellow, blue and green are available
	The biggest DB	120 db (a)
	Alarm sound	Voice can be set, with 9 standard options
	Tone \ volume	Remote control
Size	The host	160*210mm
Weight		Net Weight:3kg
		Gross Weight:7.5kg
Accessories list		12.6v 3A charger X1
		Composite air line X1
